A CLEANER FUTURE ECO-NOMICAL + ECO-LOGICAL

The difference

EB-S200 Budget System

EB-S300 Mid Range System

The EB-S300 has 2 additional features:

Dryer - Warm air blower (dryer) can be set to a desirable temperature as it gently dries you. May take multiple uses depending on temperature and weather.

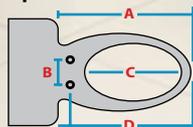

Deodoriser - Sucks foul air from the toilet bowl through a carbon filter reducing odours.

Eco Bidet S200 (Standard Seat)

This Bidet will fit on your existing toilet suite if the measurements of your pan are:

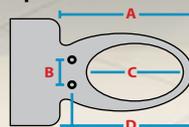

- A:** 490mm or above
- B:** Between 140-195mm
- C:** 320mm or above*
- D:** 400mm or above

Eco Bidet S200 (Elongated Seat)

This Bidet will fit on your existing toilet suite if the measurements of your pan are:

- A:** 520mm or above
- B:** Between 140-195mm
- C:** 340mm or above
- D:** 400mm or above

* At 320mm once installed some porcelain may be visible. 330mm is the preferred size.

This Bidet has passed electrical and watermark certification. Local plumbing regulations may apply.
